Registration Procedures - Coaches

1. Registration Information

- If you did not register using our on-line system, please mail the Team Camp application form located on the back of our camp brochure to the camp office along with the non-refundable registration fee (\$100 per team). The registration fee is applied to your balance.
- **The online registration process offers the ability for your players to register and pay online (there is a 5% fee assessed by the online company). This process also provides you, the coach updates on the players who have registered on line. This registration also completes the required Waiver and Release form and insurance. In other words, you will need no forms at check in, when players register on line.**
- If your school or booster is paying, please let us know and we will provide a discount code for registration. Please remit payment by check or call with credit card if the school or booster is paying (919-942-9208 or 919-358-4206). Prior payment and completed registration enhances the check-in process.
- You may also call the camp office OR go on line at www.goheels.com OR www.uncgirlsbasketballcamps.com to register your teams(s) for camp. You may download a brochure and waiver release form, which includes the required insurance information and mail your application in along with a check for deposit payments (PO Box 2411, Chapel Hill NC 27516). Please mail applications so that they are received by May 21st 2018.
- Once registration is complete online, a link is generated and emailed to you for registering players and assistants. This will then become your roster for camp. Mail in registrations will have the same option.

2. Complete Player Registration

- Players may register online whether school, booster or parent is paying. If the school/booster is paying, we will provide a discount code to the coach for distribution. Please visit our website for more information. The registration on line completes the required paperwork. However, if for some reason the parent does not register online, he/she must download the waiver release form and send it to our office prior to camp.
 - **UNC RELEASE FORM & WAIVER FORM:** The camper will not be allowed to participate without a signed UNC Release Form & Waiver information filed with your registration. The UNC Release Form & Waiver Form & insurance information can be downloaded from our website. Note: this form is completed when registering through our website (www.uncgirlsbasketballcamps.com)

4. TEAM STAFF AND PLAYERS

- Each team must have at least eight (8) players. Even if you do not have eight players, you must pay for eight players. The cost per player is \$285 unless you are a returning team. The cost for returning teams is \$275 per player..
- You must have **ONE** head coach per team. One coach cannot coach multiple teams because teams could be playing at the same time.
- The head coach for each team attends the camp at no charge. The head coach for each team is paid \$300 to supervise the team at the dorm and gym.
- The cost for assistant coaches, chaperones or children of staff is \$200 each. This covers the cost of the room and all meals. All names of assistants, chaperones or children of staff must be listed on the roster form on the lines above the players' names. Due to space limitations, please keep the number of your staff to a minimum. Remember that this will give more campers the opportunity to attend. A deposit of \$50 per assistant, chaperone, and child is due with the player deposits.

5. TRANSPORTATION

- **Each team must provide its own transportation to and from the gym as well as the airport, train, or bus station. We cannot provide transportation with the number of teams that we have at Team Camp, so please make transportation arrangements for your team(s). You must have transportation for each team you bring. Please keep in mind that if you bring more than one team, they may play at the same time and in different gyms. Three gyms are within walking distance, but Dean Smith Center is four miles from the dorms.**
- **Rental companies at the airport are:**

8. ROOM ASSIGNMENTS

- Our office will call you approximately two weeks prior to camp to confirm your numbers. It is important that you are accurate with these numbers at this time as we will be assigning rooms and changes cannot always be accommodated.
- We assign a block of rooms for your team(s). Prior to camp, we will email your list of players and assigned block of rooms. The coach will place the players in the rooms that are assigned to their team(s) and collect T-shirt sizes. Every effort is made to place coaches and chaperones on the same floor as the players and near the players.
- A single female staff member can choose to room with a team player or a female staff member from another school. If 2 or more female staff members attend, we will place them together in a room or suite near the players.

- Rooms assigned to male staff members should not be switched when you assign players to your block of rooms. Bathrooms are shared between rooms and we do not want female players to have to share the bathroom with male staff.
- If your team is assigned extra room(s) in your block because of player or staff cancellations, please return the key(s) belonging to the unused room(s) to the camp staff member in charge of rooming during registration on check-in day.
- To avoid any misunderstanding when you check out, please report any key discrepancy to our staff during check in or at the coaches' meeting.
