

Sylvia Hatchell's Basketball Camps Information for all Campers

What do I need to bring to camp?

Sheets for a singleXL dorm bed
Pillow, pillowcase, blanket (dorm is air- conditioned.),
Towels, washcloths, soap, shampoo, deodorant, toothbrush, toothpaste,
Broken-in basketball shoes to avoid blisters,
Shorts, tee shirts, socks, shower shoes and alarm clock.

Spending money is at your discretion.

Pizza orders are taken daily at the camp store and pizzas are delivered to the camp store at 9:00 p. m. each evening.

Schedule

We will have the league schedules, camper's name and league assignments posted in the lobby. Parents, please check that schedule if you would like to watch your daughter play and please remember that parking is very limited at the gyms. Also, some of the gyms are for practice only and there is no seating available; consequently, you may want to bring a folding chair.

Phones

If you need to reach a camper, please call the camp office number first (919-942-9208). If it is late at night and the office is closed, call Granville Towers Front Desk (919-370-4500) and leave a message. (This is for emergencies only.) Messages are posted by the elevator.

Transportation

Pick-up service to and from the RDU airport, Durham train station, or Chapel Hill bus stop will be provided on the day of Check-in and the day of Check-out. Please notify our office in writing of your airline including flight number and arrival and departure times. You may also e-mail the information to our office at sylviahatchellsbasketballcamp@hotmail.com. Campers must meet the staff at the airline's baggage claims. Our staff member will be wearing a staff shirt and carrying a sign with the camper's name.
